UNIT OVERVIEW

If you've been dreaming about an easy, relaxed Southwest Florida lifestyle, this beautifully upgraded first-floor Barrington Veranda in Highland Woods Golf & Country Club might be exactly what you've been waiting for. From the moment you walk in, the home feels bright, welcoming, and thoughtfully updated. With two bedrooms plus a den and two bathrooms, the layout offers plenty of space for visiting family, working from home, or simply spreading out and enjoying everyday life. The kitchen has been refreshed with quartz countertops! Both the primary and guest bathrooms have been tastefully updated with quartz vanities, adding a touch of everyday luxury. Throughout the home you'll notice newer fixtures and updates, along with the comfort of a newer AC installed in 2021. One of the features owners love most about the Barrington Veranda is the two lanais that extend your living space. This home features beautifully tiled front and back lanais with all-weather sliding panels, giving you the flexibility to enjoy the outdoors year-round, whether you're sipping morning coffee, hosting friends, or unwinding after a day on the golf course. Living in Highland Woods Golf & Country Club means enjoying one of Bonita Springs most popular bundled golf communities. Residents have access to an 18-hole championship golf course, pickleball, tennis and bocce courts, multiple pools, and a state-of-the-art fitness center. The community has recently unveiled an incredible resort-style pool and Cabana bar, creating a true resort-style experience right outside your door! The location is just as impressive. Highland Woods sits directly across from The Promenade at Bonita Bay and when it's time for a beach day, the beautiful Gulf beaches are only about 4 miles away. Whether you're searching for a seasonal retreat or a full-time residence, this could be your perfect Piece of Paradise in Bonita Springs.
