UNIT OVERVIEW

This stunning Cheshire Villa, nestled within the exclusive gated community of Highland Woods, perfectly marries luxury with comfort. From the moment you step inside, you'll be captivated by the thoughtful upgrades and elegant details throughout. The bathrooms have been beautifully updated with granite countertops, chic new vanities, and modern fixtures, while the master bathroom features a spacious walk-in shower. The bedrooms showcase luxurious laminate flooring, and the entire villa is accented with plantation shutters and crown molding, adding timeless sophistication. Step outside to your recently upgraded lanai, complete with a picture window for uninterrupted views, or enjoy the peace of mind that comes with a new roof and gutters (2020) and high-impact windows that make the entire home hurricane-protected (2023). Additional upgrades include epoxy flooring in the garage (2024), a new front lanai cage (2025), whole-home surround sound, and refreshed landscaping with river rock along the back lanai—every detail designed with convenience and style in mind. Highland Woods offers an unparalleled lifestyle for its residents, with access to an 18-hole championship golf course, three bocce courts, three tennis courts, six pickleball courts, and a large resort-style pool complete with a cabana bar and restaurant. The community also features a state-of-the-art fitness center and a beautifully appointed clubhouse with indoor and al fresco dining options. Beyond the gates, the villa's prime southwest Florida location puts you moments away from the best the area has to offer. The Promenade of Bonita Springs is right across the street, while Coconut Point Mall, the Shops at Mercato, and the pristine Gulf beaches are all just a short drive away. Don't miss your chance to live the ultimate Florida lifestyle in this exceptional villa, where elegance, convenience, and vibrant community living come together seamlessly.
