Nestled in the prestigious Highland Woods Golf and Country Club, this stunning home is a true masterpiece of style, comfort, and functionality. From the moment you pull up, the curb appeal will captivate you—custom lighting, a newly paved driveway and walkway framed by an elegant stone border, and low-maintenance lush landscaping with river rock accents set the tone for what’s inside. Step through the doors and into a completely renovated interior that exudes modern sophistication. The engineered wood flooring flows seamlessly throughout, complemented by custom cabinetry, gleaming granite countertops, and stainless steel appliances in the kitchen. The open den features new fixtures and a thoughtfully designed custom bar (complete with a wine fridge and ice maker), making it a dream for entertainers. Every detail has been meticulously curated, right down to the Hunter Douglas blinds and the remodeled master bath. The upgrades don’t stop there. New sliding doors and windows flood the home with natural light while offering full hurricane protection for peace of mind. Step out onto the expansive lanai, where you’ll find a heated pool and spa overlooking breathtaking golf course and lake views—the perfect backdrop for morning coffee or sunset gatherings. With a recently replaced roof, air conditioner, and water heater, this home is as move-in ready as it gets. Highland Woods isn’t just a community—it’s a lifestyle. At the heart of it all is the renowned Gordon Lewis-designed golf course, complemented by a newly completed pro shop, six pickleball courts, a resort-style pool with a chic cabana bar, and a state-of-the-art fitness center. The grand clubhouse offers dining options to suit every mood, from a casual grill room to elegant formal dining and picturesque al fresco spots where you can soak in Florida’s sunshine. For recreation, enjoy bocce, tennis, or simply relax in the lush, manicured surroundings. Beyond the gates, you’re just moments from The Promenade in Bonita, a vibrant hub for upscale shopping, dining, and entertainment. And when it’s time to hit the sand, the pristine shores of Bonita Beach and Barefoot Beach are just a short drive away, offering warm Gulf waters and those postcard-perfect sunsets this area is famous for. This home is the ultimate blend of luxury, leisure, and location.
